WHEN - he set into motion a plan to take over the control of all energy in the United States through Cap and Trade, people said it didn't matter.

WHEN - he finally completed his transformation of America into a Socialist State, people woke up---but it was too late.

Add these up one-by-one and you get a phenomenal score that points to the fact that Barrack Hussein Obama is determined to turn America into a Marxist-Socialist society. All of the items in the preceding paragraphs have been put into place.

All can be documented very easily. Before you disavow this do an Internet search. The last paragraph alone is not yet cast in stone. You and I will write that paragraph.

Will it read as above or will it be a more happy ending for most of America?

Don't just belittle the opposition. Search for the truth. We all need to pull together or watch the demise of a free democratic society. Pray for Americans to seek the truth and take action for it will keep us FREE. Our biggest enemy is not China, Russia, North Korea or Iran. Our biggest enemy is a contingent of politicians in Washington, DC. The government will not help, so we need to do it ourselves.

WHEN - November 2012 comes, it will matter who you vote for!

*"When you see that in order to produce, you need to obtain permission from men who produce nothing; when you see that money is flowing to those who deal not in goods, but in favors; when you see that men get rich more easily by graft than by work, and your laws no longer protect you against them, but protect them against you... you may know that your society is doomed." ... Ayn Rand*
